

# PANAMA CANAL AREA BENEFIT PLAN

\*\*\*SPECIAL ANNOUNCEMENT\*\*\*

**New participating Provider of the Medical Network**

**HOSPITAL PUNTA PACIFICA**

Affiliated to Johns Hopkins Medicine International

With the purpose of extending the expectations of our insured's and to strengthen our commitment in improving health services and quality of life.

Starting August 1<sup>st</sup> 2008, **HOSPITAL PUNTA PACIFICA** will be offering the following services:

- Hospitalization
- Medical Emergencies
- Medical Consultations
- General Surgeries
- Ambulatory Services in general (exams, laboratories, X- rays)

**The CLINICA HOSPITAL SAN FERNANDO and CENTRO MEDICO PAITILLA will continue offering the same services to all our members.**

The Panama Canal Area Benefit Plan wishes to inform that due to the new contract with Hospital Punta Pacifica and the contract renewal with Centro Medico Paitilla and Clinica Hospital San Fernando, we proceeded to reorganize the number of beds assigned for the Plan at each hospital to procure the excellence of service to our members. With this same purpose , the Medical Department of the Plan will guarantee the utilization of the beds and distribution of the patients

For further information, please contact the Member Services Department  
**Telephone: 204-9200.**
